

3rd PREMIERE Webinar

“Understanding the specifics of multi-actor approach (MAA) in your call”

26 March 2025 | 10:00-11:30 a.m. CET

The PREMIERE Project is excited to invite you to our skills-building webinar series, designed to foster a deeper understanding of the requirements for multi-actor calls for proposals in Horizon Europe. These practice-oriented webinars provide a platform for expert speakers to present key insights, share lessons learned, and guide participants through the collaborative methodology needed to address real-world needs and challenges while co-creating innovative solutions.

The current series of webinars focuses on the preparation for the Horizon Europe Cluster 6 Calls with a submission date in September 2025.

This webinar focuses on:

- Best practices of how to write a MAA proposal
- How to align MAA with different project types (CSA, RIA, IA)
- Practical tips to embed MAA into your proposal

During the webinar real-world examples will be shared from project coordinator who are currently implementing Horizon Cluster 6 multi-actor projects.
